Section 3. Participation

The Committee in its discretion shall designate each Employee or Independent Contractor who is eligible to participate in the Plan. A Participant who Separates from Service with the Employer and who later returns to Service will not be an Active Participant under the Plan except upon satisfaction of such terms and conditions as the Committee shall establish upon the Participant's return to Service, whether or not the Participant shall have a balance remaining in his Deferred Compensation Account under the Plan on the date of the return to Service.

Section 4. Credits to Deferred Compensation Account

4.1 Participant Deferral Credits. To the extent provided in the Adoption Agreement, each Active Participant may elect, by entering into a Participation Agreement with the Employer, to defer the receipt of Compensation from the Employer by a dollar amount or percentage specified in the Participation Agreement. The amount of Compensation the Participant elects to defer, the Participant Deferral Credit, shall be credited by the Employer to the Deferred Compensation Account maintained for the Participant pursuant to Section 8. The following special provisions shall apply with respect to the Participant Deferral Credits of a Participant:

4.1.1 The Employer shall credit to the Participant's Deferred Compensation Account on each Crediting Date an amount equal to the total Participant Deferral Credit for the period ending on such Crediting Date.

4.1.2 An election pursuant to this Section 4.1 shall be made by the Participant by executing and delivering a Participation Agreement to the Committee. Except as otherwise provided in this Section 4.1, the Participation Agreement shall become effective with respect to such Participant as of the first day of January following the date such Participation Agreement is received by the Committee. A Participant's election may be changed at any time prior to the last permissible date for making the election as permitted in this Section 4.1, and shall thereafter be irrevocable. Any election of a Participant shall continue in effect for the time period as set forth in the Adoption Agreement and shall be described as evergreen or non-evergreen as appropriate.

4.1.3 A Participant may execute and deliver a Participation Agreement to the Committee within 30 days after the date the Participant first becomes eligible to participate in the Plan. After the 30 day period expires, or after any shorter time period as agreed to by the Participant and the Committee, the latest election made by the Participant during that period becomes irrevocable. Such election shall then be effective as of the first payroll period commencing following the date the Participation Agreement becomes irrevocable. Whether a Participant is treated as newly eligible for participation under this Section shall be determined in accordance with Section 409A of the Code and the regulations thereunder, including (i) rules that treat all elective deferral account balance plans as one plan, and (ii) rules that treat a previously eligible Employee as newly eligible if his benefits had been previously distributed or if he has been ineligible for 24 months. For Compensation that is earned based upon a specified performance period (for example, an annual bonus), where a deferral election is made under this Section but after the beginning of the performance period, the election will only apply to the portion of the Compensation equal to the total amount of the Compensation for the service period multiplied by the ratio of the number of days remaining in the performance period after the date the election becomes irrevocable over the total number of days in the performance period.

4.1.4 A Participant may unilaterally modify a Participation Agreement (either to terminate, increase or decrease the portion of his future Compensation which is subject to deferral within the percentage limits set forth in Section 4.1 of the Adoption Agreement) by providing a written modification of the Participation Agreement to the Committee. The modification shall become effective as of the first day of January following the date such written modification is received by the Committee, or at such later date as required under Section 409A of the Code.

4.1.5 If the Participant performed services continuously from the later of the beginning of the performance period or the date upon which the performance criteria are established through the date upon which the Participant makes an initial deferral election, a Participation Agreement relating to the deferral of Performance-Based Compensation may be executed and delivered to the Committee no later than the date which is 6 months prior to the end of the performance period, provided that in no event may an election to defer Performance-Based Compensation be made after such Compensation has become readily ascertainable.

4.1.6 If the Employer has a fiscal year other than the calendar year, Compensation relating to Service in the fiscal year of the Employer (such as a bonus based on the fiscal year of the Employer), of which no amount is paid or payable during the fiscal year, may be deferred at the Participant's election if the election to defer is made not later than the close of the Employer's fiscal year next preceding the first fiscal year in which the Participant performs any services for which such Compensation is payable.

4.1.7 Compensation payable after the last day of the Participant's taxable year solely for services provided during the final payroll period containing the last day of the Participant's taxable year (i.e., December 31) is treated for purposes of this Section 4.1 as Compensation for services performed in the subsequent taxable year.

4.1.8 The Committee may from time to time establish policies or rules consistent with the requirements of Section 409A of the Code to govern the manner in which Participant Deferral Credits may be made.

4.1.9 If a Participant becomes Disabled all currently effective deferral elections for such Participant shall be cancelled. At the time the participant is no longer Disabled, subsequent elections to defer future compensation will be permitted under this Section 4.

4.1.10 If a Participant applies for and receives a distribution on account of an Unforeseeable Emergency, all currently effective deferral elections for such Participant shall be cancelled. Subsequent elections to defer future compensation will be permitted under this Section 4.

4.1.11 If a Participant receives a hardship distribution under Section 1.401(k)- 1(d)(3) of the Code, all currently effective deferral elections shall be cancelled. Subsequent elections to defer future compensation under this Section 4 will not be effective until the later of the beginning of the next calendar year or six months after the date of the hardship distribution. If the effective date of such an election occurs after the beginning of the next calendar year, as permitted by the Employer, a Participant may make elections for the next calendar year prior to January 1st of the next calendar year, but these elections will not become effective until the end of the six month waiting period.

4.2 Employer Credits. If designated by the Employer in the Adoption Agreement, the Employer shall cause the Committee to credit to the Deferred Compensation Account of each Active Participant an Employer Credit as determined in accordance with the Adoption Agreement. A Participant must make distribution elections with respect to any Employer Credits credited to his Deferred Compensation Account by the deadline that would apply under Section 4.1 for distribution elections with respect to Participant Deferral Credits credited at the same time, on a Participation Agreement that is timely executed and delivered to the Committee pursuant to Section 4.1. If no distribution election is made, vested amounts in the Deferred Compensation Account will be distributed in a lump sum upon the earliest of any Qualifying Distribution Event limited to Separation from Service, Disability, Death or Change in Control.

4.3 Deferred Compensation Account. All Participant Deferral Credits and Employer Credits shall be credited to the Deferred Compensation Account of the Participant as provided in Section 8.

Section 5. Qualifying Distribution Events

5.1 Separation from Service. If the Participant Separates from Service with the Employer, the vested balance in the Deferred Compensation Account shall be paid to the Participant by the Employer as provided in Section 7. Notwithstanding the foregoing, no distribution shall be made earlier than six months after the date of Separation from Service (or, if earlier, the date of death) with respect to a Participant who as of the date of Separation from Service is a Specified Employee of a corporation the stock in which is traded on an established securities market or otherwise. Any payments to which such Specified Employee would be entitled during the first six months following the date of Separation from Service shall be accumulated and paid on the first day of the seventh month following the date of Separation from Service, and shall be adjusted for deemed investment gain and loss incurred during the six month period.

5.2 Disability. If the Employer designates in the Adoption Agreement that distributions are permitted under the Plan when a Participant becomes Disabled, and the Participant becomes Disabled while in Service, the vested balance in the Deferred Compensation Account shall be paid to the Participant by the Employer as provided in Section 7.

5.3 Death. If the Participant dies while in Service, the Employer shall pay a benefit to the Participant's Beneficiary in the amount designated in the Adoption Agreement. Payment of such benefit shall be made by the Employer as provided in Section 7.

5.4 In-Service or Education Distributions. If the Employer designates in the Adoption Agreement that in-service or education distributions are permitted under the Plan, a Participant may designate in the Participation Agreement to have a specified amount credited to the Participant's In-Service or Education Account for in-service or education distributions at the date specified by the Participant. In no event may an in- service or education distribution of an amount be made before the date that is two years after the first day of the year in which any deferral election to such In-Service or Education Account became effective. Notwithstanding the foregoing, if a Participant incurs a Qualifying Distribution Event prior to the date on which the entire balance in the In-Service or Education Account has been distributed, then the vested balance in the In- Service or Education Account on the date of the Qualifying Distribution Event shall be paid as provided under Section 7.1 for payments on such Qualifying Distribution Event.

5.5 Change in Control Event. If the Employer designates in the Adoption Agreement that distributions are permitted under the Plan upon the occurrence of a Change in Control Event, the Participant may designate in the Participation Agreement to have the vested balance in the Deferred Compensation Account paid to the Participant upon a Change in Control Event by the Employer as provided in Section 7.

5.6 Unforeseeable Emergency. If the Employer designates in the Adoption Agreement that distributions are permitted under the Plan upon the occurrence of an Unforeseeable Emergency event, a distribution from the Deferred Compensation Account may be made to a Participant in the event of an Unforeseeable Emergency, subject to the following provisions:

5.6.1 A Participant may, at any time prior to his Separation from Service for any reason, make application to the Committee to receive a distribution in a lump sum of all or a portion of the vested balance in the Deferred Compensation Account (determined as of the date the distribution, if any, is made under this Section 5.6) because of an Unforeseeable Emergency. A distribution because of an Unforeseeable Emergency shall not exceed the amount required to satisfy the Unforeseeable Emergency plus amounts necessary to pay taxes reasonably anticipated as a result of such distribution, after taking into account the extent to which the Unforeseeable Emergency may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship) or by stopping current deferrals under the Plan pursuant to Section 4.1.10.

5.6.2 The Participant's request for a distribution on account of Unforeseeable Emergency must be made in writing to the Committee. The request must specify the nature of the financial hardship, the total amount requested to be distributed from the Deferred Compensation Account, and the total amount of the actual expense incurred or to be incurred on account of the Unforeseeable Emergency.

5.6.3 If a distribution under this Section 5.6 is approved by the Committee, such distribution will be made as soon as practicable following the date it is approved. The processing of the request shall be completed as soon as practicable from the date on which the Committee receives the properly completed written request for a distribution on account of an Unforeseeable Emergency. If a Participant's Separation from Service occurs after a request is approved in accordance with this Section 5.6.3, but prior to distribution of the full amount approved, the approval of the request shall be automatically null and void and the benefits which the Participant is entitled to receive under the Plan shall be distributed in accordance with the applicable distribution provisions of the Plan.

5.6.4 The Committee may from time to time adopt additional policies or rules consistent with the requirements of Section 409A of the Code to govern the manner in which such distributions may be made so that the Plan may be conveniently administered.

Section 6. Vesting

A Participant shall be fully vested in the portion of his Deferred Compensation Account attributable to Participant Deferral Credits, and all income, gains and losses attributable thereto. A Participant shall become fully vested in the portion of his Deferred Compensation Account attributable to Employer Credits, and income, gains and losses attributable thereto, in accordance with the vesting schedule and provisions designated by the Employer in the Adoption Agreement. If a Participant's Deferred Compensation Account is not fully vested upon Separation from Service, the portion of the Deferred Compensation Account that is not fully vested shall thereupon be forfeited.

Section 7. Distribution Rules

7.1 Payment Options. The Employer shall designate in the Adoption Agreement the payment options which may be elected by the Participant (lump sum, annual installments, or a combination of both). Different payment options may be made available for each Qualifying Distribution Event, and different payment options may be available for different types of Separations from Service, all as designated in the Adoption Agreement. The Participant shall elect in the Participation Agreement the method under which the vested balance in the Deferred Compensation Account will be distributed from among the designated payment options. The Participant may at such time elect a different method of payment for each Qualifying Distribution Event as specified in the Adoption Agreement. If the Participant is permitted by the Employer in the Adoption Agreement to elect different payment options and does not make a valid election, the vested balance in the Deferred Compensation Account will be distributed as a lump sum upon the Qualifying Distribution Event.

Notwithstanding the foregoing, if certain Qualifying Distribution Events occur prior to the date on which the vested balance of a Participant's Deferred Compensation Account is completely paid pursuant to this Section 7.1 following the occurrence of certain initial Qualifying Distribution Events, the following rules apply:

7.1.1 If the initial Qualifying Distribution Event is a Separation from Service or Disability, and the Participant subsequently dies, the remaining unpaid vested balance of a Participant's Deferred Compensation Account shall be paid as a lump sum.

7.1.2 If the initial Qualifying Distribution Event is a Change in Control Event, and any subsequent Qualifying Distribution Event occurs (except an In-Service or Education Distribution described in Section 2.29(iv)), the remaining unpaid vested balance of a Participant's Deferred Compensation Account shall be paid as provided under Section 7.1 for payments on such subsequent Qualifying Distribution Event.

7.2 Timing of Payments. Payment shall be made in the manner elected by the Participant and shall commence as soon as practicable after (but no later than 60 days after) the distribution date specified for the Qualifying Distribution Event. For each payment, the Committee must specify a date for the Deferred Compensation Account(s) to be valued. In the event the Participant fails to make a valid election of the payment method, the distribution will be made in a single lump sum payment as soon as practicable after (but no later than 60 days after) the Qualifying Distribution Event. A payment may be further delayed to the extent permitted in accordance with regulations and guidance under Section 409A of the Code.

7.3 Installment Payments. If the Participant elects to receive installment payments upon a Qualifying Distribution Event, the payment of each installment shall be made on the anniversary of the date of the first installment payment, and the amount of the installment shall be adjusted on such anniversary for credits or debits to the Participant's account pursuant to Section 8 of the Plan. Such adjustment shall be made by dividing the balance in the Deferred Compensation Account on such date by the number of installments remaining to be paid hereunder; provided that the last installment due under the Plan shall be the entire amount credited to the Participant's account on the date of payment.

7.4 De Minimis Amounts. Notwithstanding any payment election made by the Participant, if the Employer designates a pre-determined de minimis amount in the Adoption Agreement, the vested balance in all Deferred Compensation Accounts of the Participant will be distributed in a single lump sum payment if at the time of a permitted Qualifying Distribution Event the vested balance does not exceed such pre-determined de minimis amount; provided, however, that such distribution will be made only where the Qualifying Distribution Event is a Separation from Service, death, Disability (if applicable) or Change in Control Event (if applicable). Such payment shall be made on or before the later of (i) December 31 of the calendar year in which the Qualifying

Distribution Event occurs, or (ii) the date that is 2-1/2 months after the Qualifying Distribution Event occurs. In addition, the Employer may distribute a Participant's vested balance in all of the Participant's Deferred Compensation Accounts at any time if the balance does not exceed the limit in Section 402(g)(1)(B) of the Code and results in the termination of the Participant's entire interest in the Plan as provided under Section 409A of the Code.

7.5 Subsequent Elections. With the consent of the Committee, a Participant may delay or change the method of payment of the Deferred Compensation Account subject to the following requirements:

7.5.1 The new election may not take effect until at least 12 months after the date on which the new election is made.

7.5.2 If the new election relates to a payment for a Qualifying Distribution Event other than the death of the Participant, the Participant becoming Disabled, or an Unforeseeable Emergency, the new election must provide for the deferral of the payment for a period of at least five years from the date such payment would otherwise have been made.

7.5.3 If the new election relates to a payment from the In-Service or Education Account, the new election must be made at least 12 months prior to the date of the first scheduled payment from such account.

For purposes of this Section 7.5 and Section 7.6, a payment is each separately identified amount to which the Participant is entitled under the Plan; provided, that entitlement to a series of installment payments is treated as the entitlement to a single payment.

7.6 Acceleration Prohibited. The acceleration of the time or schedule of any payment due under the Plan is prohibited except as expressly provided in regulations and administrative guidance promulgated under Section 409A of the Code (such as accelerations for domestic relations orders and employment taxes). It is not an acceleration of the time or schedule of payment if the Employer waives or accelerates the vesting requirements applicable to a benefit under the Plan.

7.7 Residual Distributions. If calculation of the amount of any credit to a Participant's Deferred Compensation Account is not administratively practicable due to events beyond the control of the Employer, payments may be made to the Participant for

residual amounts contributed to or remaining in a Deferred Compensation Account after payments under the provisions of this Section 7 have commenced or been completed. The residual amount shall be credited to the Deferred Compensation Account when the calculation of the amount becomes administratively practicable. Examples of residual amounts include, but are not limited to, additional investment returns credited after payment (due to dividends or pricing changes) or additional contributions made after payment (such as an annual bonus deferral or an Employer Credit). Payments that would have been made had the residual amount been calculable at the benefit commencement date shall be made up as soon as practicable after crediting to the Deferred Compensation Account, in no case later than the end of the year in which calculation of the amount becomes administratively practicable.

7.8 Ineffective Deferrals. If a Participant deferral election under Section 4 to contribute to an In-Service or Education Account carries over to a subsequent year (an evergreen election) and the deferral election is ineffective (i.e., the distribution election would cause payment in the current or prior years), the amount deferred will be credited to a Deferred Compensation Account that is not an In-Service or Education Account. If the Participant only has one account of this type, the amount deferred will be credited to that account. If the Participant has multiple accounts of this type, and one of the accounts has a lump sum at Separation from Service distribution election, the amount deferred will be credited to that account. If the Participant has multiple accounts of this type and does not have an account with a lump sum at Separation from Service distribution election, one will be established with a lump sum at Separation from Service distribution election and the amount deferred will be credited to this account.

Section 8. Accounts: Deemed Investment: Adjustments to Account

8.1 Accounts. The Committee shall establish a book reserve account, entitled the "Deferred Compensation Account," on behalf of each Participant. The Committee shall also establish an In-Service or Education Account as a part of the Deferred Compensation Account of each Participant, if applicable. The amount credited to the Deferred Compensation Account shall be adjusted pursuant to the provisions of Section 8.3.

8.2 Deemed Investments. The Deferred Compensation Account of a Participant shall be credited with an investment return determined as if the account were invested in one or more investment funds made available by the Committee. The Participant shall elect the investment funds in which his Deferred Compensation Account shall be deemed to be invested. Such election shall be made in the manner prescribed by the Committee and shall take effect upon the entry of the Participant into the Plan. The investment election of the Participant shall remain in effect until a new election is made by the Participant. In the event the Participant fails for any reason to make an effective election of the investment return to be credited to his account, the investment return shall be determined by the Committee.

8.3 Adjustments to Deferred Compensation Account. With respect to each Participant who has a Deferred Compensation Account under the Plan, the amount credited to such account shall be adjusted by the following debits and credits, at the times and in the order stated:

8.3.1 The Deferred Compensation Account shall be debited each business day with the total amount of any payments made from such account since the last preceding business day to him or for his benefit. Unless otherwise specified by the Employer, each deemed investment fund will be debited pro-rata based on the value of the investment funds as of the end of the preceding business day.

8.3.2 The Deferred Compensation Account shall be credited on each Crediting Date with the total amount of any Participant Deferral Credits and Employer Credits to such account since the last preceding Crediting Date.

8.3.3 The Deferred Compensation Account shall be credited or debited on each day securities are traded on a national stock exchange with the amount of deemed investment gain or loss resulting from the performance of the deemed investment funds elected by the Participant in accordance with Section 8.2. The amount of such deemed investment gain or loss shall be determined by the Committee and such determination shall be final and conclusive upon all concerned.

Section 9. Administration by Committee

9.1 Membership of Committee. If the Committee consists of individuals appointed by the Board, they will serve at the pleasure of the Board. Any member of the Committee may resign, and his successor, if any, shall be appointed by the Board.

9.2 General Administration. The Committee shall be responsible for the operation and administration of the Plan and for carrying out its provisions. The Committee shall have the full authority and discretion to make, amend, interpret, and enforce all appropriate rules and regulations for the administration of this Plan and decide or resolve any and all questions, including interpretations of this Plan, as may arise in connection with this Plan. Any such action taken by the Committee shall be final and conclusive on any party. To the extent the Committee has been granted discretionary authority under the Plan, the Committee's prior exercise of such authority shall not obligate it to exercise its authority in a like fashion thereafter. The Committee shall be entitled to rely conclusively upon all tables, valuations, certificates, opinions and reports furnished by any actuary, accountant, controller, counsel or other person employed or engaged by the Employer with respect to the Plan. The Committee may, from time to time, employ agents and delegate to such agents, including Employees of the Employer, such administrative or other duties as it sees fit.

9.3 Indemnification. To the extent not covered by insurance, the Employer shall indemnify the Committee, each Employee, officer, director, and agent of the Employer, and all persons formerly serving in such capacities, against any and all liabilities or expenses, including all legal fees relating thereto, arising in connection with the exercise of their duties and responsibilities with respect to the Plan, provided however that the Employer shall not indemnify any person for liabilities or expenses due to that person's own gross negligence or willful misconduct.

Section 10 **Contractual Liability, Trust**

10.1 Contractual Liability. Unless otherwise elected in the Adoption Agreement, the Company shall be obligated to make all payments hereunder. This obligation shall constitute a contractual liability of the Company to the Participants, and such payments shall be made from the general funds of the Company. The Company shall not be required to establish or maintain any special or separate fund, or otherwise to segregate assets to assure that such payments shall be made, and the Participants shall not have any interest in any particular assets of the Company by reason of its obligations hereunder. To the extent that any person acquires a right to receive payment from the Company under the Plan, such right shall be no greater than the right of an unsecured creditor of the Company.

10.2 Trust. The Employer may establish a trust to assist it in meeting its obligations under the Plan. Any such trust shall conform to the requirements of a grantor trust under Revenue Procedures 92-64 and 92-65 and at all times during the continuance of the trust the principal and income of the trust shall be subject to claims of general creditors of the Employer under federal and state law. The establishment of such a trust would not be intended to cause Participants to realize current income on amounts contributed thereto, and the trust would be so interpreted and administered.

Section 11 **Allocation of Responsibilities**

The persons responsible for the Plan and the duties and responsibilities allocated to each are as follows:

11.1 Board.

- (i) To amend the Plan;
- (ii) To appoint and remove members of the Committee; and
- (iii) To terminate the Plan as permitted in Section 14.

11.2 Committee.

- (i) To designate Participants;
- (ii) To interpret the provisions of the Plan and to determine the rights of the Participants under the Plan, except to the extent otherwise provided in Section 16 relating to claims procedure;
- (iii) To administer the Plan in accordance with its terms, except to the extent powers to administer the Plan are specifically delegated to another person or persons as provided in the Plan;
- (iv) To account for the amount credited to the Deferred Compensation Account of a Participant;

- (v) To direct the Employer in the payment of benefits;
- (vi) To file such reports as may be required with the United States Department of Labor, the Internal Revenue Service and any other government agency to which reports may be required to be submitted from time to time; and
- (vii) To administer the claims procedure to the extent provided in Section 16.

Section 12 **Benefits Not Assignable: Facility of Payments**

12.1 **Benefits Not Assignable.** No portion of any benefit credited or paid under the Plan with respect to any Participant shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any attempt so to anticipate, alienate, sell, transfer, assign, pledge, encumber or charge the same shall be void, nor shall any portion of such benefit be in any manner payable to any assignee, receiver or any one trustee, or be liable for his debts, contracts, liabilities, engagements or torts.

12.2 **Plan-Approved Domestic Relations Orders.** The Committee shall establish procedures for determining whether an order directed to the Plan is a Plan- Approved Domestic Relations Order. If the Committee determines that an order is a Plan- Approved Domestic Relations Order, the Committee shall cause the payment of amounts pursuant to or segregate a separate account as provided by (and to prevent any payment or act which might be inconsistent with) the Plan-Approved Domestic Relations Order notwithstanding Section 12.1.

12.3 **Payments to Minors and Others.** If any individual entitled to receive a payment under the Plan shall be physically, mentally or legally incapable of receiving or acknowledging receipt of such payment, the Committee, upon the receipt of satisfactory evidence of his incapacity and satisfactory evidence that another person or institution is maintaining him and that no guardian or committee has been appointed for him, may cause any payment otherwise payable to him to be made to such person or institution so maintaining him. Payment to such person or institution shall be in full satisfaction of all claims by or through the Participant to the extent of the amount thereof.

Section 13 **Beneficiary**

The Participant's Beneficiary shall be the person, persons, entity or entities designated by the Participant on the Beneficiary designation form provided by and filed with the Committee or its designee. If the Participant does not designate a Beneficiary, the Beneficiary shall be his Surviving Spouse. If the Participant does not designate a Beneficiary and has no Surviving Spouse, the Beneficiary shall be the Participant's estate. The designation of a Beneficiary may be changed or revoked only by filing a new Beneficiary designation form with the Committee or its designee. If a Beneficiary (the "primary Beneficiary") is receiving or is entitled to receive payments under the Plan and dies before receiving all of the payments due him, the balance to which he is entitled shall be paid to the contingent Beneficiary, if any, named in the Participant's current Beneficiary designation form. If there is no contingent Beneficiary, the balance shall be paid to the estate of the primary Beneficiary. Any Beneficiary may disclaim all or any part of any

benefit to which such Beneficiary shall be entitled hereunder by filing a written disclaimer with the Committee before payment of such benefit is to be made. Such a disclaimer shall be made in a form satisfactory to the Committee and shall be irrevocable when filed. Any benefit disclaimed shall be payable from the Plan in the same manner as if the Beneficiary who filed the disclaimer had predeceased the Participant.

Section 14 **Amendment and Termination of Plan**

The Company may amend any provision of the Plan or terminate the Plan at any time; provided, that in no event shall such amendment or termination reduce the balance in any Participant's Deferred Compensation Account as of the date of such amendment or termination, nor shall any such amendment materially adversely affect the Participant relating to the payment of such Deferred Compensation Account. Notwithstanding the foregoing, the following special provisions shall apply:

14.1 Termination in the Discretion of the Employer. Except as otherwise provided in Sections 14.2, the Company in its discretion may terminate the Plan and distribute benefits to Participants subject to the following requirements and any others specified under Section 409A of the Code:

14.1.1 All arrangements sponsored by the Employer that would be aggregated with the Plan under Section 1.409A-1(c) of the Treasury Regulations are terminated.

14.1.2 No payments other than payments that would be payable under the terms of the Plan if the termination had not occurred are made within 12 months of the termination date.

14.1.3 All benefits under the Plan are paid within 24 months of the termination date.

14.1.4 The Employer does not adopt a new arrangement that would be aggregated with the Plan under Section 1.409A-1(c) of the Treasury Regulations providing for the deferral of compensation at any time within 3 years following the date of termination of the Plan.

14.1.5 The termination does not occur proximate to a downturn in the financial health of the Employer.

14.2 Termination Upon Change in Control Event. If the Company terminates the Plan within thirty days preceding or twelve months following a Change in Control Event, the Deferred Compensation Account of each Participant shall become payable to the Participant in a lump sum within twelve months following the date of termination, subject to the requirements of Section 409A of the Code.

Section 15 **Communication to Participants**

The Employer shall make a copy of the Plan available for inspection by Participants and their beneficiaries during reasonable hours at the principal office of the Employer.

Section 16 **Claims Procedures**

The following claims procedure shall apply with respect to the Plan:

16.1 Filing of a Claim for Benefits. If a Participant or Beneficiary (the "claimant") believes that he is entitled to benefits under the Plan which are not being paid to him or which are not being accrued for his benefit, he shall file a written claim therefore with the Committee.

16.2 Notification to Claimant of Decision. Within 90 days after receipt of a claim by the Committee (or within 180 days if special circumstances require an extension of time), the Committee shall notify the claimant of the decision with regard to the claim. In the event of such special circumstances requiring an extension of time, there shall be furnished to the claimant prior to expiration of the initial 90-day period written notice of the extension, which notice shall set forth the special circumstances and the date by which the decision shall be furnished. If such claim shall be wholly or partially denied, notice thereof shall be in writing and worded in a manner calculated to be understood by the claimant, and shall set forth: (i) the specific reason or reasons for the denial; (ii) specific reference to pertinent provisions of the Plan on which the denial is based; (iii) a description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary; and (iv) an explanation of the procedure for review of the denial and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA following an adverse benefit determination on review. Notwithstanding the foregoing, if the claim relates to a disability determination, the Committee shall notify the claimant of the decision within 45 days (which may be extended for an additional 30 days if required by special circumstances).

16.3 Procedure for Review. Within 60 days following receipt by the claimant of notice denying his claim, in whole or in part, or, if such notice shall not be given, within 60 days following the latest date on which such notice could have been timely given, the claimant may appeal denial of the claim by filing a written application for review with the Committee. Following such request for review, the Committee shall fully and fairly review the decision denying the claim. Prior to the decision of the Committee, the claimant shall be given an opportunity to review pertinent documents and to submit issues and comments in writing.

16.4 Decision on Review. The decision on review of a claim denied in whole or in part by the Committee shall be made in the following manner:

16.4.1 Within 60 days following receipt by the Committee of the request for review (or within 120 days if special circumstances require an extension of time), the Committee shall notify the claimant in writing of its decision with regard to the claim. In the event of such special circumstances requiring an extension of time, written notice of the extension shall be furnished to the claimant prior to the commencement of the extension. Notwithstanding the foregoing, if the claim relates to a disability determination, the Committee shall notify the claimant of the decision within 45 days (which may be extended for an additional 45 days if required by special circumstances).

16.4.2 With respect to a claim that is denied in whole or in part, the decision on review shall set forth specific reasons for the decision, shall be written in a manner calculated to be understood by the claimant, and shall set forth:

- (i) the specific reason or reasons for the adverse determination;
- (ii) specific reference to pertinent Plan provisions on which the adverse determination is based;
- (iii) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits; and
- (iv) a statement describing any voluntary appeal procedures offered by the Plan and the claimant's right to obtain the information about such procedures, as well as a statement of the claimant's right to bring an action under ERISA section 502(a).

16.4.3 The decision of the Committee shall be final and conclusive.

16.5 Action by Authorized Representative of Claimant. Section 17 **Miscellaneous Provisions**

17.1 Set off. The Employer may at any time offset a Participant's Deferred Compensation Account by an amount up to \$5,000 to collect the amount of any loan, cash advance, extension of other credit or other obligation of the Participant to the Employer that is then due and payable in accordance with the requirements of Section 409A of the Code.

17.2 Notices. Each Participant who is not in Service and each Beneficiary shall be responsible for furnishing the Committee or its designee with his current address for the mailing of notices and benefit payments. Any notice required or permitted to be given to such Participant or Beneficiary shall be deemed given if directed to such address and mailed by regular United States mail, first class, postage prepaid. If any check mailed to such address is returned as undeliverable to the addressee, mailing of checks will be suspended until the Participant or Beneficiary furnishes the proper address. This provision shall not be construed as requiring the mailing of any notice or notification otherwise permitted to be given by posting or by other publication.

17.3 Lost Distributees. A benefit shall be deemed forfeited if the Committee is unable to locate the Participant or Beneficiary to whom payment is due by the fifth anniversary of the date payment is to be made or commence; provided, that the deemed investment rate of return pursuant to Section 8.2 shall cease to be applied to the Participant's account following the first anniversary of such date; provided further, however, that such benefit shall be reinstated if a valid claim is made by or on behalf of the Participant or Beneficiary for all or part of the forfeited benefit.

17.4 Reliance on Data. The Employer and the Committee shall have the right to rely on any data provided by the Participant or by any Beneficiary. Representations of such data shall be binding upon any party seeking to claim a benefit through a Participant, and the Employer and the Committee shall have no obligation to inquire into the accuracy of any representation made at any time by a Participant or Beneficiary.

17.5 Headings. The headings and subheadings of the Plan have been inserted for convenience of reference and are to be ignored in any construction of the provisions hereof.

17.6 Continuation of Employment. The establishment of the Plan shall not be construed as conferring any legal or other rights upon any Employee or any persons for continuation of employment, nor shall it interfere with the right of the Employer to discharge any Employee or to deal with him without regard to the effect thereof under the Plan.

17.7 Merger or Consolidation; Assumption of Plan. No Employer shall consolidate or merge into or with another corporation or entity, or transfer all or substantially all of its assets to another corporation, partnership, trust or other entity (a "Successor Entity") unless such Successor Entity shall assume the rights, obligations and liabilities of the Employer under the Plan and upon such assumption, the Successor Entity shall become obligated to perform the terms and conditions of the Plan. Nothing herein shall prohibit the assumption of the obligations and liabilities of the Employer under the Plan by any Successor Entity.

17.8 Construction. The Employer shall designate in the Adoption Agreement the state according to whose laws the provisions of the Plan shall be construed and enforced, except to the extent that such laws are superseded by ERISA and the applicable requirements of the Code.

17.9 Taxes. The Employer or other payor may withhold a benefit payment under the Plan or a Participant's wages, or the Employer may reduce a Participant's Deferred Compensation Account balance, in order to meet any federal, state, or local or employment tax withholding obligations with respect to Plan benefits, as permitted under Section 409A of the Code. The Employer or other payor shall report Plan payments and other Plan-related information to the appropriate governmental agencies as required under applicable laws.
